

VALENTINE'S DAY TINS

A sweet gift from your furfriend

What you need:

1. A tin
2. Mod Podge gloss and paintbrush
3. Photograph of your furfriend
4. Scissors, felt pens, stickers and anything else you want to decorate with
5. Ribbon

Directions:

1. Cut the photo to fit onto the lid of the tin
2. Glue photo down using Mod Podge gloss and paintbrush. Let dry for 10 minutes
3. Add stickers and write on lid with felt pens
4. Paint Mod Podge across everything evenly (photo, stickers, felt pen markings)
It will look white while it dries. It will be clear when it is dry.
Let sit for 15 - 20 minutes to dry then repeat with a second layer of Mod Podge gloss. Let sit for another 15 - 20 minutes

Fill with the human's favorite treats and tie a bow around the tin! You can add small bows by gluing them down onto the lid.
