

PILLOW FOR PUPPY!

This will make a 16x16 inch pillow

Supplies:

- 1. A piece of material that is at least 32 inches in length and 16 inches in width**
- 2. Filler for the pillow**
- 3. Scissors, measuring tape, pins**
- 4. Sewing machine or needle and thread**
- 5. Ribbons if you would like**

Directions:

- 1. Pre-shrink material by washing and drying it**
- 2. Lay material out on a flat surface**

- 3. Cut material 32 inches in length**
- 4. Cut the material so it is 16 inches in width**
- 5. Cut the pillow filling 14 inches in length and 14 inches in width.
Cut 3 pieces, 4 if you want a really fluffy pillow!**
- 6. Turn the material inside out. The colorful sides should be together and facing inward. The faded sides should be facing outward. Pin and sew 3 of the sides, leave the top open.**
- 7. Turn the pillowcase back so the colorful sides now face outward. The faded sides and the sewing will be inside.**

- 8. Place the filling inside making sure it reaches all the way into the bottom corners.**
- 9. Fold the top opening inward so the unfinished edges are inside the pillow. Pin and sew closed.**
- 10. If you want to add ribbon bows to finish it off you can!**
