

PUPPY SIGN!

SUPPLIES:

1. A sign the size and shape that you would like
2. Paint and paintbrush
3. Oil-based paint pen
4. Ribbon or twine

DIRECTIONS:

1. Paint the sign on one side the color that you want. Let it dry completely.
2. Turn the sign over and paint the other side the same color or a different one. Let it dry completely.
3. Using the oil-based paint pen spell out your dog's name. Practice on paper first. Let dry completely.
4. Trace over your lettering a second time and let dry completely.

5. Turn sign over and print on the other side whatever you would like. Eg. Shhh! I'm Sleeping, Here Comes Trouble!, The Fun Has Arrived! Let the lettering dry completely.
6. Trace over your lettering a second time and let dry completely.
7. Add twine to hang the sign from
8. Add a ribbon bow or anything else that you would like!
