

BEACH PARTY CAKE!

WHAT YOU WILL NEED FOR THE BEACH PARTY:

1. 1 recipe Bluebeary cake
2. 2 packs Berry Blue Jello
3. 1 recipe Icing
4. 20 Graham crackers
5. 5-6 Drink umbrellas
6. 1 bag Teddygrahams
7. 1 tube Black Gel Icing
8. 1 container Sprinkles
9. 10 Sour Ribbon Belts
10. 5 Sour Peach Rings

BLUEBEARY CAKE:

Separate 1 egg, and save the yolk. Beat the white with an electric mixer or mix master until it has stiff peaks. Set it to the side.

In a large bowl mix wet ingredients together:

$\frac{3}{4}$ cup melted margarine

1 $\frac{1}{2}$ cups sugar

1 Tbsp vanilla
1 egg yolk

In a small bowl mix dry ingredients together:

2 cups flour
3 ½ tsps baking powder
½ tsp salt
2 tsps cinnamon

In a measuring cup:

1 cup milk

Using an electric mixer or a mix master alternate adding dry ingredients and milk into the wet ingredients. Mix until well blended after each addition.

Fold into the cake batter in this order:

1 beaten egg white
1 cup blueberries

Grease a 9.5 x 13.5 clear baking pan with cooking spray. Bake in pre heated oven at 350 for 30 minutes. Let it cool completely.

LAKE:

2 packs Berry Blue Jello. Make according to directions on the box and let set until firm.

Decorating Directions:

1. Across the middle of the cake mark out and cut a wavy line. This will make a shoreline. Take part of the cake out of the pan and save it for cake pops!

2. Wipe the bottom of the pan clean with a damp cloth. This is the side for the blue jello lake.

3. Ice the cake/beach portion.

Icing:

½ cup softened margarine

2 cups powdered sugar

6 Tbsps half and half creamer or whipping
 cream

2 Tbsps vanilla

Mix with electric mixer or mix master until smooth.

3. Crush 20 graham crackers and sprinkle over the icing while it is still wet for sand.

4. Use a tube of black gel icing and toothpicks to ice and shape sunglasses onto the beach bears.

Do the same to shape bathing suits, then pour sprinkles over the wet icing to add color. Let dry completely.

5. Cut small strips of Sour Ribbon Belts to make beach blankets. Place onto the sand and place umbrellas by some of them. Place bears on the beach blankets, and some in the sand.

6. Place some of the bears into Sour Peach Rings. Fill the other half of the pan with Berry Blue Jello for lake. Float the bears in the jello.

Have a beary beachy time!
